Please provide a formal signed letter addressed to the Registrar of the Association, addressing the following:

- 1) Confirmation that the member has been a member of your congregation for at least one year.**
- 2) What spiritual gifts for ministry do you perceive in the candidate?**
- 3) How do you understand the candidate as a person of faith?**

It is important that these documents are returned on a timely basis so that their application is complete and an interview with the Committee can be scheduled.

In thanksgiving for your service,
