Dear Candidate:

Welcome and greetings in the name of our Lord from the Metropolitan Association, New York Conference! We are excited and delighted to learn that your process of discernment with your church has led you to this next step in your call to ministry with the United Church of Christ. The next step after discernment and affirmation of your call with your local church is the formal application to be taken in as a Member in Discernment, of The UCC NY Metro Association. Here is a list of your application requirements included in your downloadable attachments:

- 1) A formal letter from you, addressed to the Association stating your request to be considered as a Member in Discernment (MID).
- 2) A Covenantal agreement (included in these materials) filled out and signed by you and your local church which outlines your participation in the life of the local church (see details below)
- 3) MID application form (included in these materials)
- 4) MID paper (outlined in these materials)
- 5) Letters of Reference from various individuals (as specifically outlined in these materials. Please be sure these are on official letterhead of their institutions)
- 6) Official Transcript (signed with the seal, by the Registrar of your seminary) from Most Recent Educational Institution or Seminary.

Materials should be scanned electronically and submitted electronically to the Association office at MetroRegistrarNY@gmail.com Please address the header of your email, "Attn: MID materials." *Send the materials as attachments, not in the body of your email.*

You will note that the letters of reference, which require a letterhead and signature, need to be mailed directly to the Association by US Post Office mail. Please read through the requirements thoroughly and follow the directions as noted to avoid delay; if you have any questions please contact the Registrar, whose information is at the bottom of this letter.

After all your documents have been received, they will be distributed to the members of the Ordination and Ministerial Standing Committee (OMSC) for careful review. Then you will be scheduled for an interview with the Committee. *No candidate will be scheduled to meet with the Committee unless all their materials have been received and reviewed by the Committee.* Please note this process takes a minimum of two months from the time you submit all your documents to the registrar. **Once accepted, it is expected that the MID will work with their assigned mentor (from the OMSC) for no less than one year, prior to an ordination examination.** And, that the mentor is responsible for indicating the MID is ready for such an exam.

Your relationship with your local church is central to your Member in Discernment (MID) formation and process towards ordination. It is here in the local church where the Christian community helps candidates for ministry discern their call into ministry and can provide a source of vital spiritual

support and encouragement. MID candidates have asked for more opportunities for practical ministry experience as part of their formation. Since the primary locus of a candidate's discernment is the local church, we are asking you and your local church to formally covenant together a list of expectations for your involvement and process together by filling out a Covenantal Agreement which outlines your ministry and process. This agreement is presented to your mentor and placed in your MID file. It is our hope that this will both address the desire for more opportunities to be involved in specific ministries of the local church but also clarify expectations of the MID process within the church. You are asked to meet with your pastor and prayerfully consider what involvement you would like in your local church and how the church might be a source of spiritual help and support to you on your journey towards ordination. This is an important part of your application.

Please note several letters of reference are required from you as part of the application process; specific reference letters are included in this packet for you to provide to those writing the letters of reference. If you have not enrolled in Field ED and CPE and you are accepted as an MID of the Association, you will be required to supply those letters of reference to your mentor, or upon completion of CPE and your Field Ed assignment by the appropriate supervisors. *Please note the NY Metropolitan Association, requires one basic unit of CPE as part of your ministry training, though it is currently not required for ordination.*

Those applicants who are currently seeking MID status currently serving in a local church are asked to provide a letter of reference from the church's Governing Board regarding your ministry with them; please see specific form, *"Letter of Reference From the Governing Board of the Church"* included in this packet.

After all application materials have been received, you will be notified by the Registrar of your scheduled interview with the Ordination and Ministerial Standing Committee. After the interview, the Committee will vote on its decision to take you as an MID and within a week the Registrar will advise you of the Committee's decision. Going forward it is also expected that MIDs will provide materials to the Registrar as they become available, while working with your mentor.

May the Lord guide and bless us as we begin this journey together in discerning your spiritual and vocational call in ministry.
